

VISITOR AND VISITING SPEAKER POLICY

September 2026

1) INTRODUCTION

This policy applies across the whole school including the Early Years Foundation Stage (EYFS).

The School and its staff have a statutory duty regarding the safeguarding of children and take this responsibility seriously. This policy has regard to Keeping Children Safe in Education (KCSIE) and the Prevent Duty guidance (Home Office/DfE) and should be read alongside the School's **Safeguarding & Child Protection Policy**.

The purpose of this policy is to keep in place measures which control unauthorised access to the School during the school day, so as to keep pupils and staff as safe as is reasonably practicable, without prejudicing pupils' education. The procedure is therefore directed at protecting people, not property.

In deciding on appropriate security, the governing body recognises that the School should be seen by pupils as a safe and welcoming place and that security measures should not cause them alarm.

2) Entrances

The main entrance doors to the school buildings all have a lock with a four-digit code. These doors will be kept locked during the school day unless the door is under observation by a member of staff. Staff and pupils will not disclose the code to anyone, including visitors, without the express permission of the Head. The School will change the codes regularly, or if there is a specific reason to do so, to maintain security.

3) Procedure for admission of visitors into the School

The standard operating procedure for all visitors will be for them to enter the School having first visited the School Office at either the Junior School or the Senior School respectively and completed the visitor sign in.

- When the sign-in process is complete, a visitor badge and lanyard are issued. These must be worn visibly and at all times while on School premises and returned to the School Office on departure.
 - Yellow lanyard - issued to visitor who has had appropriate vetting checks
 - Red lanyard - issued to all other visitors, whom must then be supervised at all times.

School Office staff will contact the member of staff expecting the visitor (to this end

it is helpful if the School Office staff are pre-warned of visits).

If School Office staff do not recognise the visitor and/ or do not know their business at the school, they will establish

(i) the identity of the visitor (if appropriate, by asking for an identification document) and

(ii) the purpose of the visit before admitting the visitor to the School and will ensure that the visitor enters adequate details upon signing in.

If in any doubt about the visitor, School Office staff are at liberty to ask the visitor to wait outside and inform a senior member of staff immediately. Otherwise, a visitor would normally be asked to wait in the reception waiting area until collected.

School Office staff should review the visitor sign-in records following a visit to ensure that all visitors who signed in have also signed out, or (if not) that they have left the School's site(s).

All staff have a duty to report to the School Office if they see anyone on the School grounds or in the buildings who seems suspicious, giving the best description of them as they can. The School will keep a written record of such reports (and details) and will decide on appropriate action (report to police, alert all staff, etc.).

Visitors to the School's site at Moor Road South who are known to the School and have a pre-arranged appointment may report directly to that site but must:

- Enter their details in the visitors' book kept at that location
- Wear a school visitor pass and lanyard throughout their visit.

4) Failure to comply with this policy

Failure by a member of staff to comply with this policy may be treated as a disciplinary matter in accordance with the School's Disciplinary Procedure.

The School reserves the right to require any guest to leave the School's premises at any time.

5) Visiting Speakers

We often invite speakers from our wider community to give talks to enrich our pupils' experience of school, providing them with information that helps them make decisions at different phases of their education, widening their understanding of world and global issues and providing motivational inspiration through the sharing of a speaker's experience. Our responsibility to our students is to ensure that they can critically assess the information they receive as to its value to themselves, and that the information is aligned to the ethos and values of the School and British Values.

The "Prevent" statutory guidance (The Prevent Duty: Departmental advice for schools and childcare providers", DfE, June 2015) requires schools to have clear protocols for ensuring that any visiting speakers, whether invited by staff or pupils, are suitable and appropriately supervised.

The protocols are:

- All visiting speakers must have a nominated point of contact at the school (the Organiser).
- The Organiser completes section 1 (including attaining sign off) of the Pre-visit Safeguarding Form, ideally 14 days in advance and forwards it to the Head of HR and Administration for processing
- The Head of HR and Administration will ask the visiting speaker to complete a Visiting Speaker Form. This form asks them to outline the information they wish to communicate and to agree to the Guidelines for Visiting Speakers (attached to the form).
- The School will carry out appropriate checks on the person/ organisation to establish whether they have demonstrated extreme views/ actions.
- The School will refuse use of its premises to any person or organisation with links to extreme groups or movements. Any refusal will be explained in writing.
- A formal register of all visiting speakers will be maintained.
- Visiting speakers must provide photo ID upon arrival at School.

2b) Visitors whose purpose is to work with pupils in some capacity

Staff who arrange for visitors to work with children must complete a Pre-visit Safeguarding Form to formally agree the visit. The Head (or in their absence the DSL) will give guidance regarding any specific safeguarding matters.

Please be mindful of the following guidance, which attends to safeguarding issues:

- Staff should ensure all the bullet point protocols in 2a are complied with, as they apply equally to all visitors.
- Any visitor who has not passed all the School's safeguarding checks (which is communicated by the Head of HR and Administration) must not be alone with any pupils at any point. This includes whole class or small group teaching; or one to one interviews of pupils; or escorting by pupils around the building.
- A suitably vetted visiting professional e.g., an educational psychologist may be authorised by the School to work unsupervised with an individual or group of pupils. This must be agreed with the School well in advance to ensure that any necessary checks can be undertaken and confirmed before the visit.
- Regular visitors to the school must have undergone the appropriate vetting checks. Advice and guidance on the vetting process can be sought from the Head of HR and Administration or the Head.
- Arrangements are in place that confirm all relevant checks have been undertaken for staff employed at some specific organisations including Newcastle City Council, some local NHS trusts and Westfield School, when they are carrying out authorised and legitimate visits to the School. Visits by staff from these organisations will still need to be authorised by a member of the School's Senior Leadership Team (SLT) using the Pre-visit Safeguarding Form and are required to show their employer's identification on arrival.
- Any visitor or visiting speaker delivering a lesson or assembly must agree the content and tone of that with you prior to the visit taking place. The content and tone must be in line with the School's ethos and aims, be fully compliant with all Equal Opportunities legislation and consider the age and ability of

the pupils.

- If concerns arise, staff must intervene immediately, preventing further interaction and inform the DSL (or Deputy DSL).
